SOCIAL EVENT: There will be a worker/competitor party at the conclusion of activities on Saturday at the Paddock Grill.

PADDOCK: Space is limited in the Paddock, so we ask that you work with us to accommodate the majority of your wishes regarding paddock parking. To that end, paddock parking personnel will assign and direct parking based on the size of your vehicles per instructions from the Paddock Chief using the following guidelines:

- Single car set-ups will get a spot twenty (20) feet wide that is long enough to accommodate the tow vehicle and trailer. All awnings and support equipment must fit within those confines. This allows the maximum amount of parking in desired areas.
- Multiple car teams and/or participants providing services to the Atlanta Region will be located to maximize their efficiency.
- Since paddock spots with power are limited, the first priority is to provide electrical hook-ups to the maximum number of competitors.
- Open trailers not actively involved in support of a race vehicle must be removed to the grassy area below Turn One in the Club Paddock or above the Pro Paddock at the top of the hill.
- Spectator and crew parking is very limited in the paddock area. Ride sharing and race team cooperation are appreciated.
- If you have special requests, please let the Paddock Chief know prior to arriving so he can make appropriate arrangements.
- For safety reasons the county Fire Marshall requires that access lanes be kept open. Vehicles parked in no-parking areas will be towed without notice.

EMERGENCY LANES: Keep all lanes in the paddock open at all times. This is necessary so that emergency vehicles of all sorts can fulfill their duties. If you leave a vehicle blocking an emergency lane, it will be removed without warning.

PROVISIONS:

Racing Fuel: Road Atlanta has automatic (credit card) pumps for both unleaded (98 octane) and leaded (110 & 112 octane) VP racing gas. While these pumps are normally available throughout the weekend, at a recent event the phone lines failed and the pumps failed to operate. Should this happen again we will make every effort to resolve the situation, but participants would be well served to plan ahead to ensure they have adequate fuel for the weekend. There ARE alternate sources of racing fuel in the vicinity.

Medical Facility: If you are sick or injured, please check with the medical staff. They will treat you as needed and process necessary paperwork. SCCA insurance will not pay if you do not have the paperwork processed. The facility is located at the beginning of pit lane.

Property Damage: Road Atlanta and/or SCCA-Atlanta may hold drivers responsible for damages to property. Drivers continually cutting apexes in the grass may be held financially responsible for repairs and may be penalized.

Participant, Crew, Guest Conduct and Intoxicants: Any participant using intoxicants before their race group or assigned duties are over each day is subject to disqualification from the event and ejection from the property. Use of illegal drugs is specifically prohibited at all times during the event. Anyone using illegal drugs is subject to disqualification and ejection from the property. Drivers are responsible for their crew. Workers are responsible for their guests. Impound and Registration are race activities. Smoking is prohibited indoors as well as in Tech, Grid, Pit Lane, and within 20 feet of the Media Center/Tower.

Tire vendors typically in attendance are:

- APPALACHIAN RACE TIRES (865) 681-6622
- Competition Tire South (Goodyear) 386-274-5332.

Do not leave used tires at the track.
